Raffle ticket purchases are not tax deductible as a charitable contribution. The winner of the vehicle or alternate cash prize is required by law to pay to American Cancer Society both federal and state income tax withholdings before the prize can be awarded. All IRS requirements must be satisfied before the prize can be awarded. The winner of the vehicle is responsible for any and all other expenses related to the prize, including but not limited to, processing, license, and registration fees. The federal withholding tax rate is 25%, less the amount of the wager, and is applied to the fair market value of the 2019 Mazda CX-5 Touring, which is \$28,432, or to the alternate cash prize of \$20,000 if selected. The state withholding state rate depends on the winner's legal residence. This raffle is void where prohibited by law. You must be 18 years old to purchase a raffle ticket. Persons under 18 years of age may not be the beneficiary of a ticket purchase. Ticket purchaser must be citizen or legal resident of the United States. Odds of winning depend on the number of entries received. Winner need not be present to win, but must be available to attend the publicity-related event in January, 2020 at Heritage Mazda Catonsville. Winner must prove he or she is the qualified winner by presenting valid state or federally issued identification.
