Ask about YOUR SAVINGS option prior to delivery.

Here's what happens before we deliver your vehicle to you.

New or PreOwned Car Clean Up

Your vehicle is washed and detailed before you take delivery.

Paperwork Completion with Salesperson

Your Salesperson will spend some time with you completing all the legal documents required for the purchase of your new vehicle.

Business Department

Our Business Manager will complete your financial paperwork, MVA Title work & review all of the Customer Options available to you.

Maintenance Schedule & Warranty Review

You will receive a complete explanation of the Service Maintenance Schedule, New Vehicle Warranty & Owners Manual.

Service & Parts Walk

You will receive a tour of the Service and Parts area, to help familiarize you with our hours of operation, location of the night drop box & cashier's office. We want you to be informed for when you return to have your first oil change completed.

Accessory Gallery

This is the time when you get to customize your new vehicle to your style. We have everything from floor mats to running boards on display, so walk on through & have some fun.

Demonstration of Vehicle Features & Controls

You will receive a complete explanation on the features & controls on your new vehicle by your Salesperson.

Our Goal is your complete satisfaction, so please if you should have any questions do not hesitate to ask them.
