

New Vehicle Presentation to Sgt. Isaac Carrington

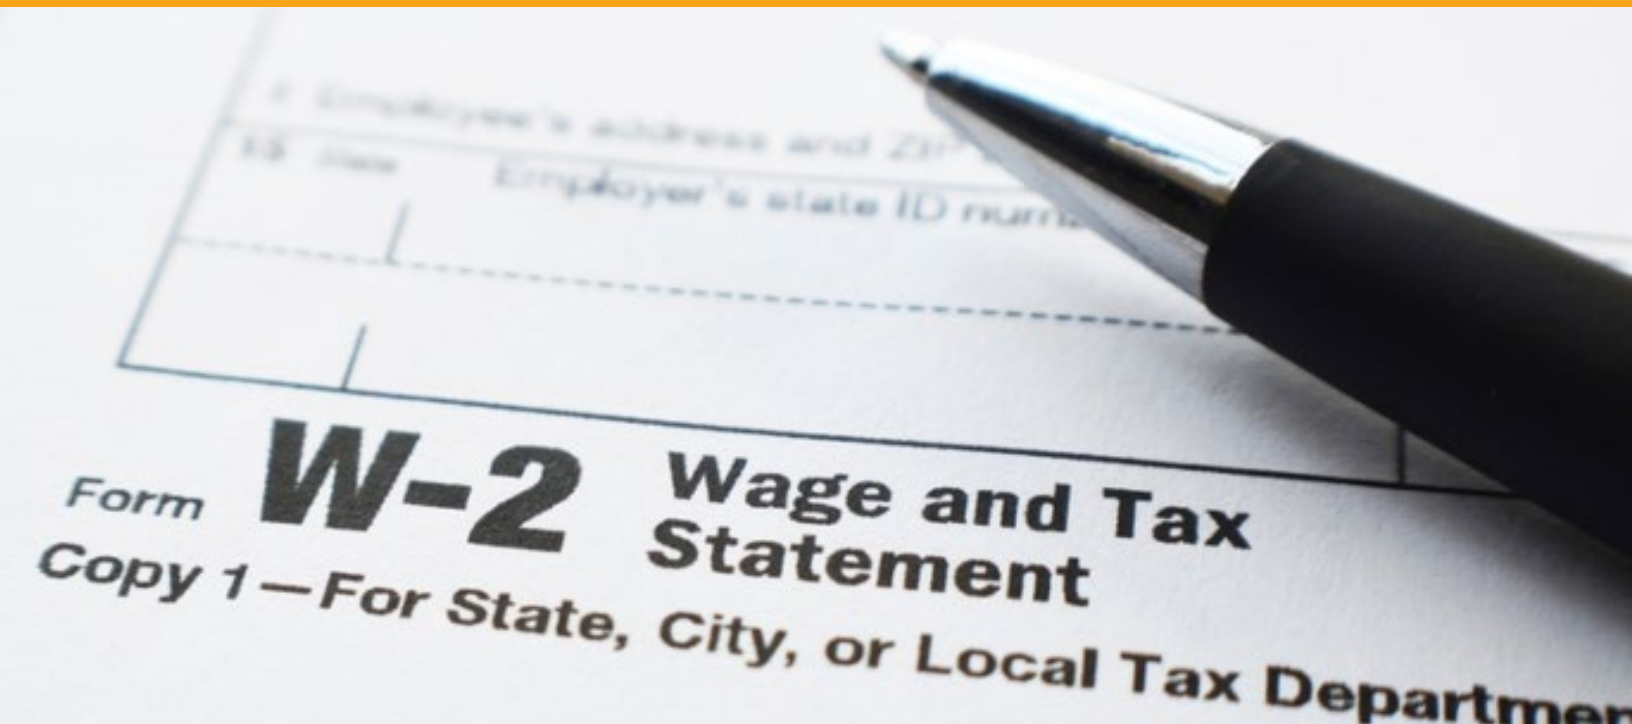

On January 5, 2021, MileOne Autogroup, our nonprofit arm Wheels for Change, The Signal 13 Foundation, the Baltimore City Lodge #3 Fraternal Order of Police and Bedco Mobility presented Sgt. Isaac Carrington with a handicap accessible 2019 Toyota Sienna.

Sgt. Carrington, then a 22-year veteran of the Baltimore City Police Department was shot multiple times on August 8, 2019, when a masked man tried to rob him and his neighbor. Carrington was taken to Shock Trauma where he underwent multiple surgeries and now lives with a permanent disability. MileOne Autogroup strongly believes in giving back to the local communities we serve, and we were honored to support Sgt. Carrington as he gains back his independence!

"We know from our many years of providing vehicles to those in need that transportation is transformational. Being able to do this for Sgt. Carrington 77 is a great honor and privilege." - Michael Fader
