

PROTECT YOUR INVESTMENT

It is more important than ever to protect your tires and wheels from road damage.

The conditions of our roads have gotten worse.
Our tires are higher performance with lower profile. (see below)

- The rims have become very expensive to replace.
(One tire and rim combination can run excess of \$1000)
- Damage to tires and wheels have become more commonplace.

This policy is not prorated and there is no deductible.

It can only be purchased at time of delivery
